

Black Knight rushes towards Alduin

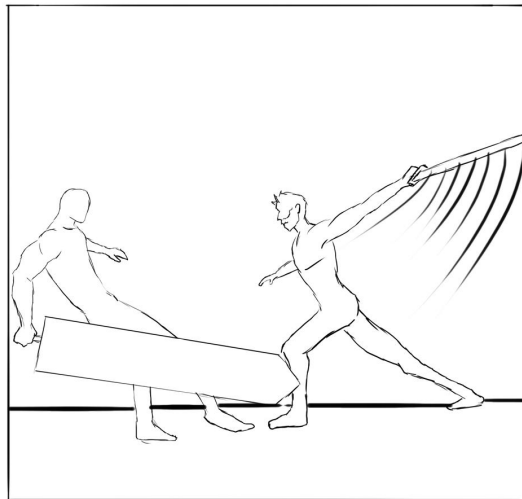

Their swords clash

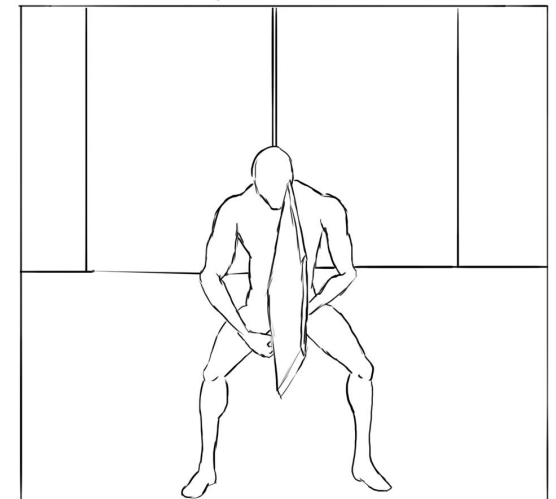

Alduin with a grim smile on his face blocks the sword of Black Knight

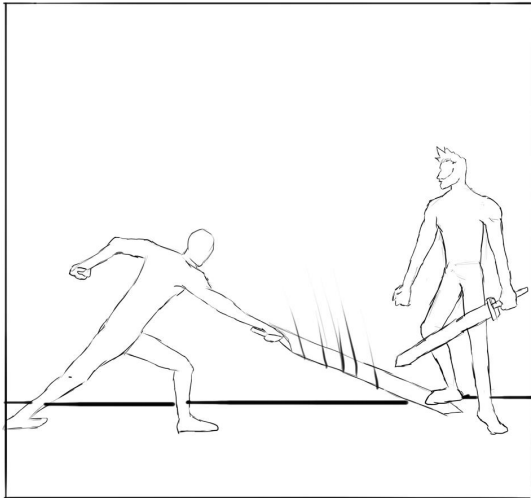

Black Knight also smiles with confidence

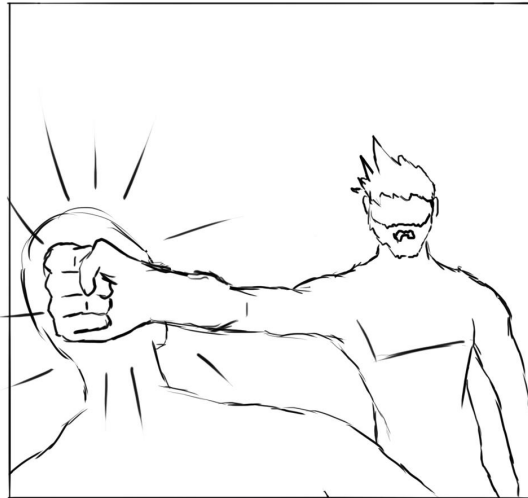

Alduin swings his sword to slash Black Knight but he jumps backward to dodge

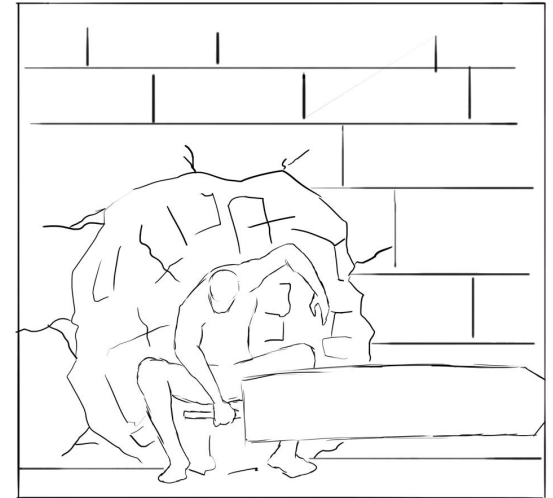

Black Knight takes his stance and gets ready to attack again

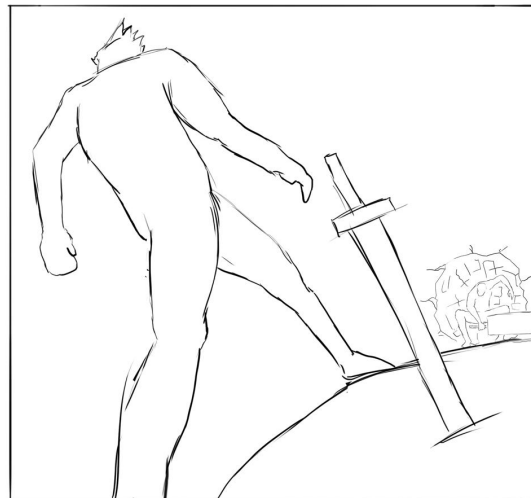

When Black Knight swings his sword again Alduin stops Black Knight's swing effortlessly with his foot

Alduin delivered a swift backhand to Black Knight

Black Knight gets slammed into the wall

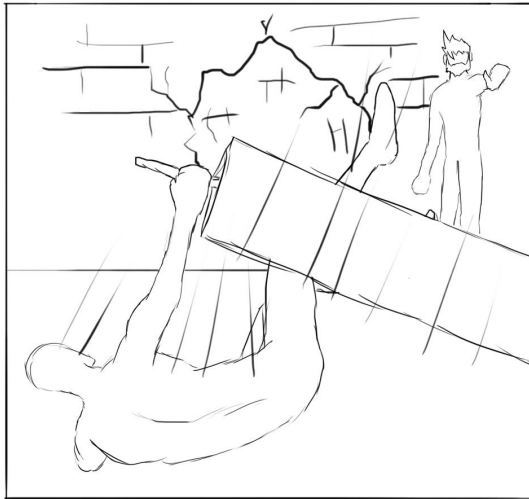

Alduin leaves his sword and walk towards Black Knight

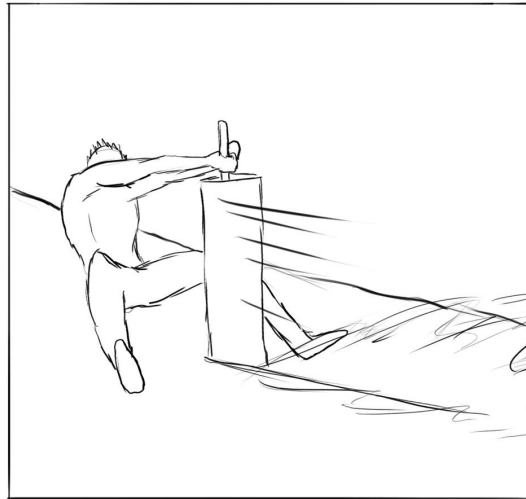

Alduin then goes to grab Black Knight's face

Alduin picks up Black Knight by his face

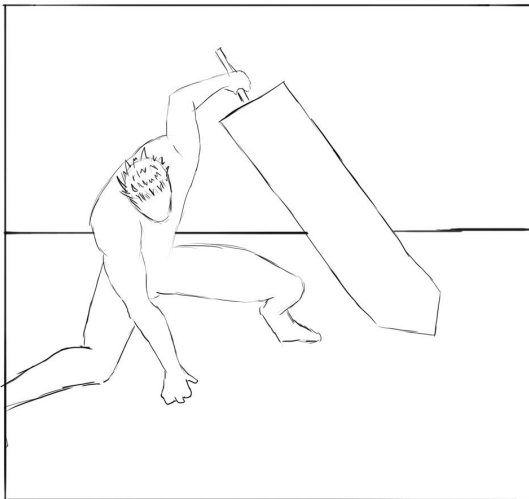

Alduin throws Black Knight with great force

Alduin uses his huge sword to stop the momentum

Alduin walks towards his sword and grabs it

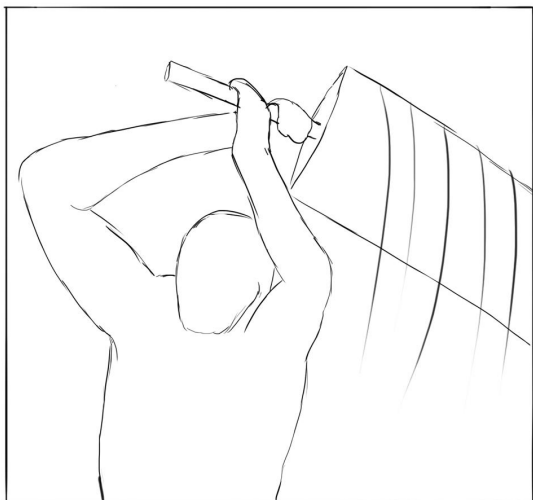

Black Knight gets back on his feet

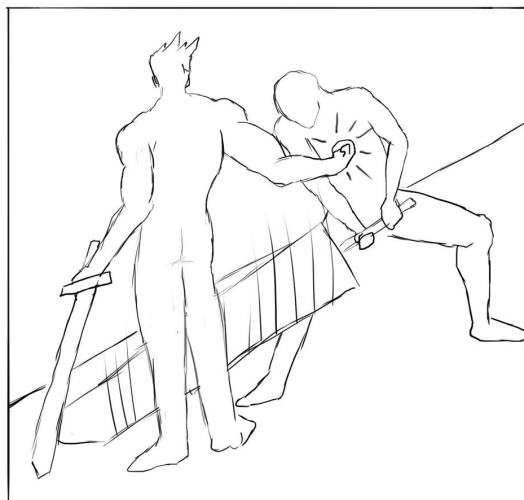

Black Knight swings his sword aggressively

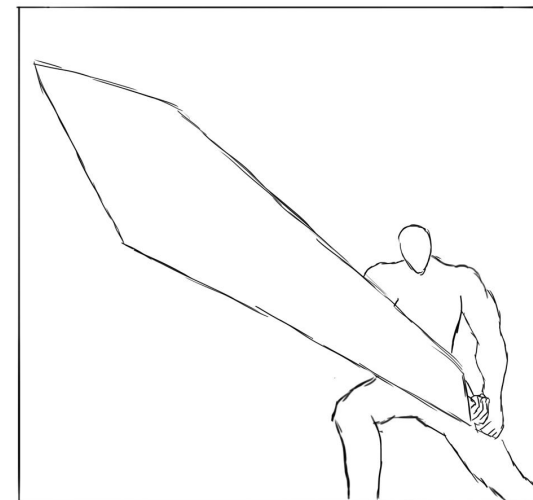

Alduin stops Black Knight's attack again

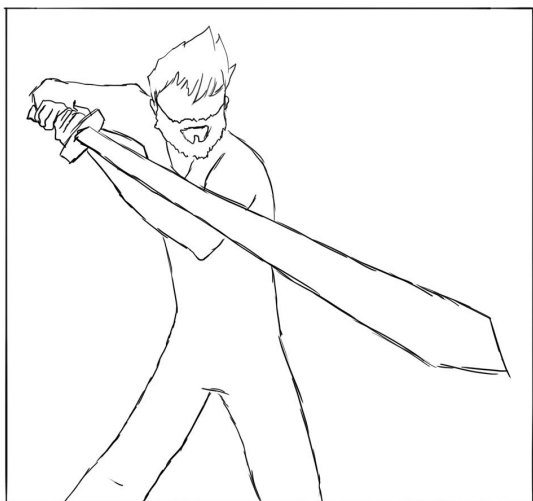

Black Knight is trying to attack again

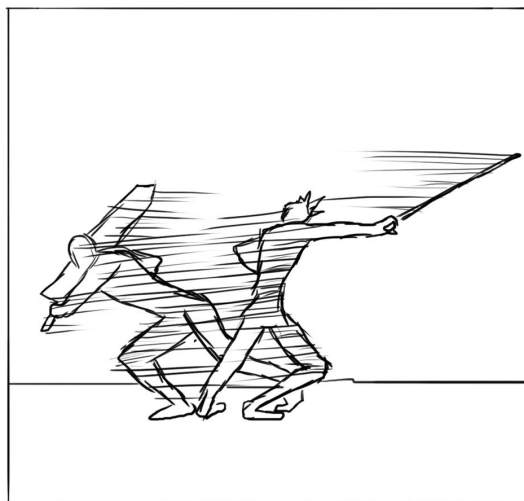

Alduin dodges the attack and punch Black Knight

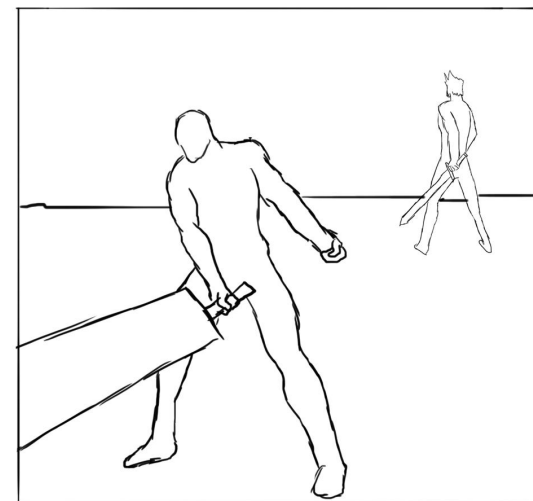

Black Knight goes back and takes his stance

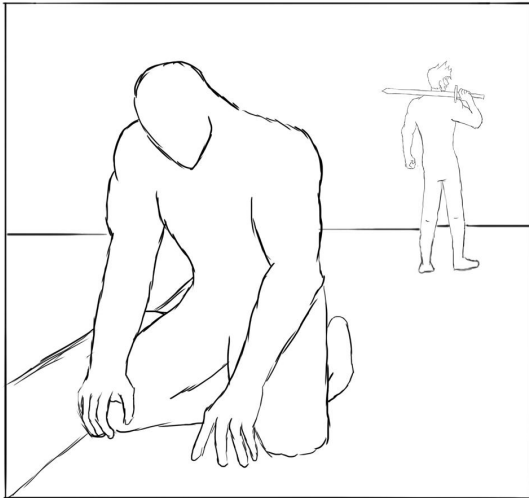

Alduin also takes his stance and both prepared for a one stroke battle

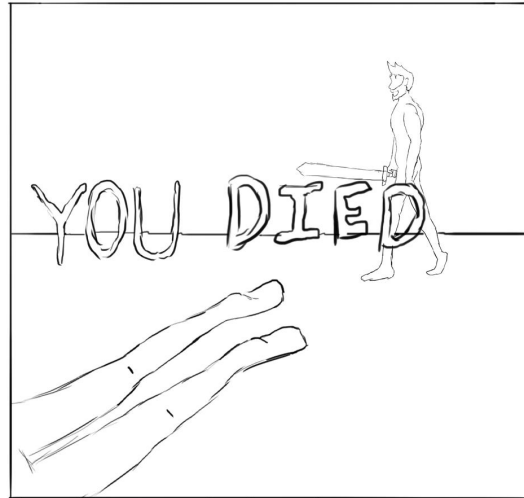

Both run past each other while swing their sword

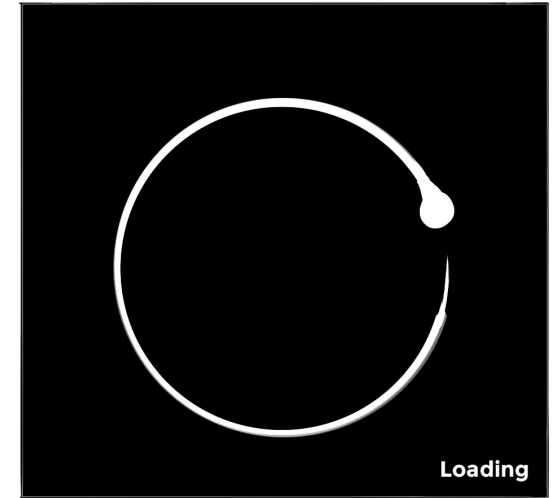

After the clash both of them stood still

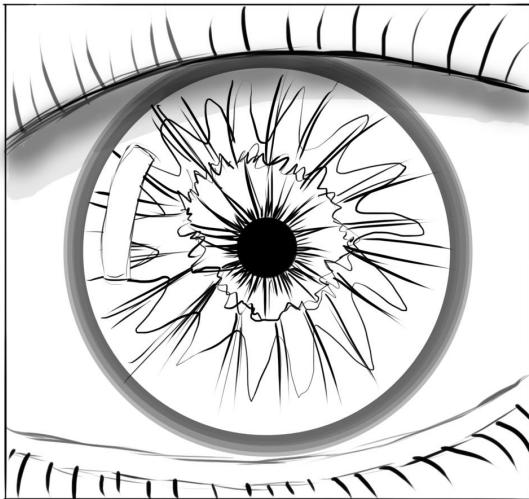

Black knight lost and fell on the ground

As Black knight fell 'You Died' text appears and Aldwin walks away saying, "You were no better than the others!"

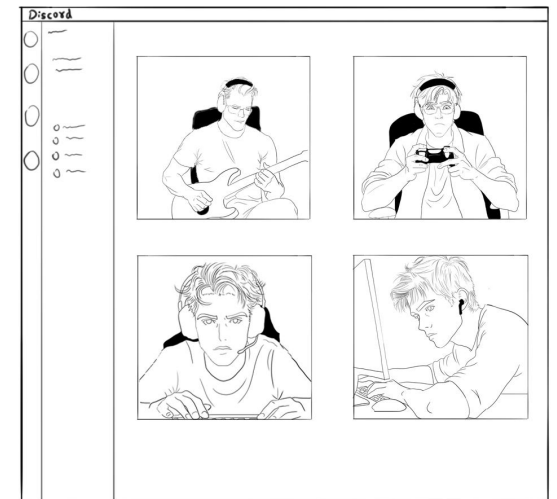

Then a loading screen appears

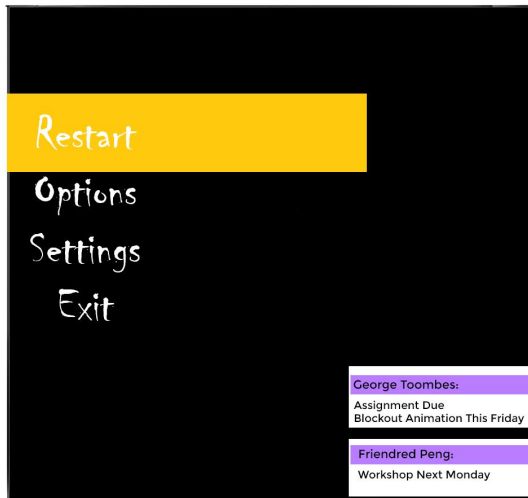

The loading circle transitions into an eyeball

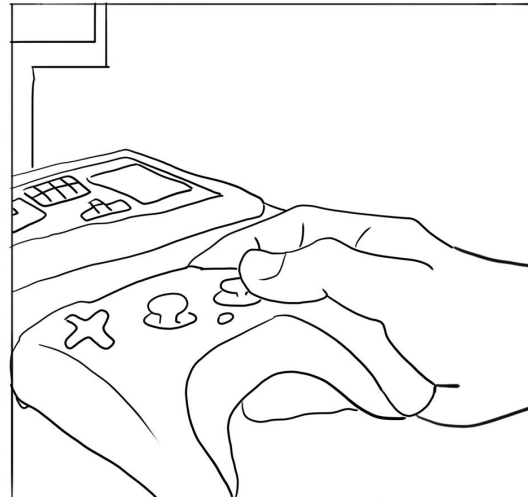

The camera zooms out revealing a player showing this whole thing was a game

The player is in a discord channel with his friends who are doing different things.

As the player was going to restart the level he got notifications about his assignments and realizes that he needs to quit the game

So, the player puts down his controller
